

mypayrollreports.com Authorization

Client Name _____ Client No _____

This Authorization serves as your request to access R&L DataCenters, Inc.'s (R&L) website www.mypayrollreports.com (MYPAYROLLREPORTS.COM). By signing below, you represent that you are the principal, legal, or authorized representative of the above-named client (Client) of R&L DataCenters, Inc. Further, you certify that you have authority to view, access or otherwise possess data, information, images, reports, checks, and otherwise similar (Reports) of any format or form now existing or to be developed that may pertain to the above named client. You additionally affirm that you have read, understand and agree to be bound by the MYPAYROLLREPORTS.COM TERMS AND CONDITIONS OF WEBSITE USE (contained in the login page of MYPAYROLLREPORTS.COM)

At your request, R&L will provide a temporary password that will be changed by the Client upon first access to MYPAYROLLREPORTS.COM (see TERMS AND CONDITIONS OF WEBSITE USE for additional information). R&L will not have access to nor will it maintain a record of your password. Subsequently, any and all user names and passwords that allow access to MYPAYROLLREPORTS.COM are to be maintained securely and confidentially by the Client (see TERMS AND CONDITIONS OF WEBSITE USE for additional information).

The user named below will be considered to be an authorized user of MYPAYROLLREPORTS.COM until such time his/her authorization is revoked by execution of the Revocation of Authority/Access to MYPAYROLLREPORTS.COM provided below or by termination as described in TERMS AND CONDITIONS OF WEBSITE USE (USE OF WEBSITE).

R&L has the right to terminate your access to mypayrollreports.com for any reason, including, but not limited to termination of your payroll or related services (voluntarily or otherwise); not being a client in good standing which may include having outstanding amounts due to R&L of any amounts, as an example. In order to avoid a loss of your reports prepared, it will be the user's obligation to store or save by typical technical means available all reports prepared. R&L will not retain or make reports available after access has been terminated.
